Ready access to product is the responsibility of the Product owner. All transportation and handling (to and from CES), labor costs to diagnose, repair or replace such defective parts, as well as costs for one-time use materials such as screen material, kick plates, PVC panels, vinyl films, etc which must be removed from assembly in order to accomplish repair are not covered by this limited warranty and are the Product owner's responsibility.

Normal finish fading or patina is expected and normal over time and is not covered by this limited warranty. Due to normal fading or patina and length of time Product has been in service, replacement part(s) finish may not match exactly.

CES may, from time to time, replace, upgrade or cancel product lines. CES shall have the right, at its sole discretion, to substitute any limited warranty claim Product with a product of equal or greater value or quality if replacement or repair Product is no longer available.

CES will not be responsible for any other associated or additional costs including, but not limited to, costs associated with the removal, installation and/or reinstallation of the Product in question.

This limited warranty, as with most other home products, fixtures and appliance manufacturers' warranties, is based on time, not usage. This limited warranty does not cover Products manufactured in excess of the maximum warranty UI for model purchased or products manufactured by anyone or any

business or firm other than CES. This limited warranty does not cover failure to function or any damage(s) whatsoever resulting from or caused by, without limitation to, unreasonable or improper use, abuse, misapplication, or damage inflicted by you, a shipper or any other third party, and does not extend to damage, misuse, abuse, alterations, or negligence of others.

CES is the Product manufacturer not the Product installer or your projects planner. This limited warranty does not cover, in any manner or form whatsoever either whole or in part, the installation of Product or any failure to function or any damage(s) whatsoever resulting from or caused by or from faulty project planning, incorrect ordering, as well as the installation or improper installation or use of Product.

This limited warranty is also contingent upon Product being installed in areas of normal weather and atmospheric conditions. This limited warranty does not apply in any fashion whatsoever to damage or failure caused by, salt spray or proximity to seacoast, blowing sand or debris, chemical or foreign atmospheric substances, installation of product in direct contact with pressure treated materials, fire, any act of god, vandalism, terrorism, harsh or caustic cleaners, power washing, power or hand scrubbing or sanding, painting, refinishing, as well as gouges or scratches of any kind or cause or any other condition, exposure, or experience that weakens applied finish or exposes aluminum base material. Failure to provide reasonable and necessary preventative maintenance will void this limited warranty with respect to the entire Product in question.

Screen materials, sunshading materials, retainer spline, PVC films or other applied films as well as all styles and types of glass, acrylics, or kickplates installed in the Product by means of direct installation or by use of removable frames (inserts) have no warranty whatsoever under this limited warranty. Coverage for removable frames (inserts), insert installation hardware, installation channels and custom applied finishes, if used, are provided coverage under our **STANDARD LIMITED WARRANTY**. Screen and sunshading materials, PVC films or other applied films as well as all styles and types of glass, acrylics, or kickplates have no warranty whatsoever.

No warranties are made for Products sold outside of the United States of America. If the Product is put to commercial, business, rental, or other use or application other than for consumer use in single family free standing detached homes, we make no warranties, express or implied, including but not limited to, any implied warranty of merchantability or fitness for particular use or purpose.

Registration form must be filled out entirely and postmarked or server time stamped within 30 days from date of completed installation, which must also be within 60 days from the date of manufacture by CES. It is the sole responsibility of the end-using consumer to properly register Product within the registration window. This limited warranty shall be void and not enforceable if Product registration is incomplete, contains false

THIS WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS, AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, WHETHER BY STATUTE, AT LAW OR IN EQUITY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

This written warranty is your exclusive warranty from CES and represents the SOLE REMEDY available to any owner of the Connecticut Screen Works Screen Wall System® MASTER FRAME ASSEMBLY for any defects in material or workmanship.

CES makes NO OTHER REPRESENTATIONS, CONDITION, GUARANTEE, OR WARRANTY of any kind other than that stated herein.

CES WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND, whether for breach of this warranty, negligence, strict liability in tort, or for any other cause even if advised in advance of the possibility of such damages.

Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state.
